This is our eleventh year the all-inclusive Beaches Turks & Caicos Resort & Spa. Turks & Caicos is a tropical hideaway far from the humdrum rhythms of ordinary existence and yet filled with all the sophistication and luxurious touches of modern civilization. It is set on one of the most glorious beaches in the world, twelve pristine miles of white sand, overlooking water of a thousand turquoise hues, this spot enchants with its unspoiled, mythical beauty.

When you're in the mood for some adventure and excitement, you'll find absolutely everything you're looking for (and more than you could have ever imagined), right here at Beaches Turks & Caicos. From tennis and beach volleyball to sailing and snorkeling, simply every sport believable on land and sea is available here. Diving enthusiasts are especially in luck as you can take advantage of the Caribbean's most comprehensive dive program—two dives a day included—to explore the Caribbean's most dramatic dive sites!

At Beaches Turks & Caicos, kids of all sizes, from the littlest tots to strapping teens, have the ultimate place where they can meet, greet, blow off steam and play until the sun goes down, and even after that too. Pirates Island gives kids a fantasyland to call their very own.
