What: 7 Nights at Beaches Negril
When: August 9-16, 2014

This is our umpteenth year traveling to the wonderful Beaches resorts to a tropical hideaway far from the humdrum rhythms of ordinary existence and yet filled with all the sophistication and luxurious touches of modern civilization. This year, both of our trips head to the friendliest island in the Caribbean—Jamaica!

Negril invented "chill" – so get ready to embrace the laid-back spirit at this low-rise resort perched along Jamaica's famed Seven Mile Beach. From the moment you enter the open-air lobby you'll be caught up by fresh ocean breezes and the vibrant colors of the West Indies. Bringing the outside in, this all inclusive resort and spa in Negril, Jamaica is always open to the breathtaking beauty of the tropics.

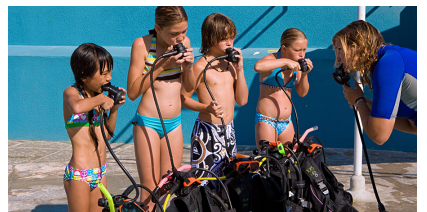

The vibe here is totally carefree and about spending time with those you love. Spread out over a lushly landscaped 20 acres, Beaches Negril epitomizes paradise with spectacular gardens beside the sea, a sprawling Pirates Island waterpark, and plenty of activities and amenities for the everyone. For those who want a little tranquility and a whole lot of cool, you can't beat Beaches Negril.
